News Near You...

Snow Season Starts

SYLVA — N.C. Department of Transportation crews worked around the clock during the first serious winter weather storm of the season.

The storm arrived during the first week of 2022 and delivered various amounts of snow and ice across Division 14. Local crews and contractors used more than 465 ton of salt to treat interstate, highways and secondary roads. Crews also removed downed trees from various locations.

Apply for GHSP Grant Funds

The N.C. Governor's Highway Safety Program is accepting grant applications from now until Jan. 31 from communities interested in developing traffic safety programs.

Law enforcement agencies, hospitals, educational organizations, state agencies and others are encouraged to apply.
